TODAY’S CHALLENGES,
TOMORROW’S OPPORTUNITIES

Coming Together to Improve the Lives of People with Intellectual Disabilities and their Families Across the Globe

Inclusion international
We are a movement united in our vision for inclusion. Together we are building the voice of self-advocates united for inclusion around the world.

Join us for the beginning of a new chapter in a movement dedicated to advancing and securing the rights and full inclusion of persons with intellectual disabilities and their families. It’s an evolution of the story of empowerment. It’s a revolution of the voices of people with intellectual disabilities and their families.

Our message? **Our Voice Matters.**

Our self-advocacy strategy will launch in Orlando in October 2016. Inclusion International is linking and connecting self-advocates around the world. Our strategy provides a platform for working together.

**Be part of our new chapter. Help make Our Voice Matter.**
